**IDAHO CIGARETTE ROLLING MACHINE OPERATOR QUARTERLY REPORT
INSTRUCTIONS - 1 of 3**

(Revised 5/24/2012)

Definitions¹

- (a)) “Brand Family” or “Tobacco Brand Family” has the same meaning given the term in Idaho Code § 39-8402(1) and includes all styles of Cigarettes sold under the same trademark and differentiated from one another by means of additional modifiers or descriptors, including, but not limited to, “menthol,” “kings,” and “100s.”
- (b) "Cigarette" has the same meaning given the term in Idaho Code § 39-7802(d), and includes any product that contains nicotine, is intended to be burned or heated under ordinary conditions of use, and consists of or contains (1) any roll of tobacco wrapped in paper or in any substance not containing tobacco; or (2) tobacco, in any form, that is functional in the product, which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette; or (3) any roll of tobacco wrapped in any substance containing tobacco which, because of its appearance, the type of tobacco used in the filler, or its packaging and labeling, is likely to be offered to, or purchased by, consumers as a cigarette. The term "cigarette" includes "roll-your-own" tobacco (i.e., any tobacco which, because of its appearance, type, packaging, or labeling is suitable for use and likely to be offered to, or purchased by, consumers as tobacco for making cigarettes). For purposes of this definition of "cigarette," 0.09 ounces of "roll-your-own" tobacco shall constitute one (1) individual "cigarette."
- (c) “Cigarette Rolling Machine” means any machine or device that has the capability to produce at least one hundred fifty (150) cigarettes in less than thirty (30) minutes.
- (d) “Cigarette Rolling Machine Operator” means any person who owns or leases or otherwise has available for use a Cigarette Rolling Machine and makes such a machine available for use by another person in a commercial setting in order to manufacture a cigarette. No person shall be deemed a cigarette rolling machine operator based solely upon that person’s manufacture, sale, enabling, disabling, or repair of a cigarette rolling machine.
- (e) “Directory” means the Directory of Compliant Tobacco Product Manufacturers and Brand Families as provided for by Idaho Code § 39-8403(2).
- (f) “Minor” has the same meaning as that term is defined in Idaho Code § 39-5702(6), Idaho Code, of the Idaho Prevention of Minors’ Access to Tobacco Act.
- (g) “Person” means natural persons, corporations both foreign and domestic, trusts, partnerships both limited and general, incorporated or unincorporated associations, companies, business entities, and any other legal entity, or any other group associated in fact although not a legal entity.
- (h) “Tobacco Product Manufacturer” has the same meaning given the term in Idaho Code § 39-7802(i) and includes an entity that directly manufactures Cigarettes anywhere that such manufacturer intends to be sold in the United States, including Cigarettes intended to be sold in the United States through an importer.

¹ Defined terms are capitalized throughout these instructions and the Idaho Cigarette Rolling Machine Operator Quarterly Report.

(j) “Tobacco Products” has the same meaning as that term is defined in Idaho Code § 39-5702(13) of the Idaho Prevention of Minors’ Access to Tobacco Act.

Specific Instructions

Part 1: Cigarette Rolling Machine Operator Information and Reporting Period

Check the appropriate box indicating which quarter is being reported. Mark ONLY one box.

Identify the Cigarette Rolling Machine Operator’s company name, any d/b/a it is operating under, Idaho Tobacco Permit number, the Operator’s complete mailing address, phone number, facsimile number, e-mail address, and the name of the person completing the Report.

Part 2: Sales Information and Certification

The Cigarette Rolling Machine Operator must check all applicable boxes. If the Operator’s Cigarette Rolling Machine produced Cigarettes in the quarter, then verify the first three items indicated and enter all requested information in Part 3. If no such Cigarettes were produced, verify the last item.

Please note: The person filling out the attached Report must sign and date the Report and doing so constitutes certification that the person is authorized to sign the Report and that the information contained in the Report is correct to the best of the signing person’s knowledge.

Part 3: Cigarettes Produced by Operator’s Cigarette Rolling Machine(s)

If the Operator had Cigarettes produced by its Cigarette Rolling Machine(s), you must fill out all information in Part 3.

In Column A, report each Tobacco Brand Family used in the Operator’s Cigarette Rolling Machine(s).

In Column B, identify the Tobacco Product Manufacturer for each Tobacco Brand Family used.

In Column C, identify the entity from whom you purchased the listed Tobacco Brand Family. Please include the entity’s full address. If convenient, use separate sheets of paper.

In Columns D-I, report the number of Cigarettes produced by, and the ounces of tobacco used in, each Cigarette Rolling Machine for the respective Tobacco Brand Family listed. Please note: In reporting the number of Cigarettes produced, do not report by number of packages or cartons. Rather, report the actual number of Cigarettes produced.

To determine whether a Tobacco Product Manufacturer and Tobacco Brand Family is certified for sale in the state of Idaho, please refer to the Idaho Directory of Compliant Tobacco Products Manufacturers and Brand Families, located at: www.ag.idaho.gov. Only tobacco listed on the Directory may be used in the Operator’s Cigarette Rolling Machine.
